~ Athletics ~

Field/Court Permits Policies and Guidelines

There are no refunds for permits. In case of rainouts or unplayable conditions, a credit will be given for another date and time within 30 days if the permit holder notifies the CRC Athletics Office (352-1622) within 48 hours of rainout or unplayable conditions. Do not use CRC fields when they are deemed unplayable or when use will damage the fields or cause injury to players. Spectator fees and charging for parking or admission on City property are prohibited.

CRC Rule #9 – Refuse and Damages to Property.

- No person shall drop or throw refuse or litter of any kind on or within commission property, except in the receptacles designated therefor.
- No person shall take, carry away, disturb, molest, destroy, mar, deface, mutilate, mark or damage any commission property.
- No person or persons shall use or enter onto any commission property if such use or entry would cause damage to the property or if signs prohibiting such use or entry are posted in conspicuous places.

It is the policy of the Cincinnati Recreation Commission that all youth (head/lead) coaches utilizing CRC facilities are required to possess current National Youth Sports Coaches Association (NYSCA) certification through the National Alliance for Youth Sports (NAYS). Substitute training programs are not accepted in lieu of NYSCA. Coaches governed by the Ohio High School Athletic Association are exempt.

The following options are available for coaches to obtain the required NYSCA certification.

1. CRC staff will provide the training to any organization that requests it.
2. Training may be obtained through another NYSCA Chapter.
3. Training is offered online through NAYS.

The Cincinnati Recreation Commission also requests that all youth (head/lead) coaches utilizing CRC facilities complete the Center for Disease Control's online "HEADS UP" concussion training course.
